- 15. Start typing the name of your bank in the space provided and select your bank from the drop down list once it appears.
- 16. Gemini uses Plaid, a 3rd-party service to identify and link your bank account. To accomplish this, Plaid requires that you enter your online banking login information. Neither Plaid nor Gemini store this information; it is only used for this initial linking process.
- 17. Click "Continue."

- 18. Enter your bank login information and wait for Plaid to locate your account.
- 19. Select the correct bank account from your list of accounts and click "Continue."

- 20. At this time, you will have the option to continue on to Full Identity verification or to skip it. It is highly recommended that you verify your identity now.
- 21. Click on "Continue to full identity verification."

Congrats!	
We have linked your bank account to your Gemini account. You are now able to deposit up to \$500 and trade digital assets.	
Please note: You will not be able to withdraw USD or deposit and withdraw digital assets until your identity is fully verified.

- 27. Once the picture is open, if it looks clear and readable, click on "Upload.
- 28. In the box that opens, tell Gemini what type of ID it is and complete the additional information asked for.
- 29. Click "next."
- 30. You will now have to wait for Gemini to verify your identification. They will send you an email when it is complete.

At the time of this writing, this message appeared:

We are verifying your identity and will be in touch shortly. Gemini is currently experiencing extremely high application volume and there may be delays as the compliance team completes the review of your application.

Once your account is opened and fully verified, you can fund your account via ACH or Wire Transfer.
